Dear PhD students,

With great pleasure we invite you to “**Science and Us**”, the 2<sup>nd</sup> congress of doctoral students with international participation.

The congress is intended for those in the scientific field of biomedicine and healthcare and will be held in Rijeka, from May 16<sup>th</sup> to 18<sup>th</sup>, 2024, at the Faculty of Medicine University of Rijeka.

Importantly, PhD students will have the chance to present their data through oral and poster presentations, and also obtain ECTS credits for their programs.

All attendees will have the opportunity to hear lectures from prominent experts in the fields of biomedicine, public health, environmental engineering, clinical and dental medicine. The official language of the congress is English.

This is an opportunity for PhD students in the field of biomedicine and healthcare to enrich their knowledge through a creatively designed three-day program, expand their scientific perspectives, and achieve new collaborations and friendships.

See you in Rijeka in May 2024!

Respectfully

Organizing Committee of the Congress "Science and Us"
