Section A - Demographics

In the below section we are going to ask you about demographic information. To find out what does and does not work for whom and under which conditions, we need demographic information to contextualize our findings for different groups of people.

| Do you currently hold an academic position? Academic position refers to a research or teaching position or a PhD study/candidacy at a public or private research institution, not including purely administrative or technical positions or positions in the industrial sector. |
