President of the Management Board
Prof. Dr. Bojan ŠKOF

GENERAL DESCRIPTION OF THE UNIVERSITY OF MARIBOR

Maribor, the seat of one of the three Slovene universities, was first mentioned in historical documents as a town as early as the year 1257. The beginnings of higher education in Maribor are closely connected to Anton Martin Slomšek, the bishop of the Lavantine diocese in St. Andraž in Carinthia. The bishop moved the seat of the diocese to Maribor in 1859 and opened a new seminary and religious school in the city. This was the first institution of higher education in Maribor and a forerunner of the present day university.

The first institution of the present-day university (the Faculty of Theology does not form a part of the University of Maribor) was the School of Economics and Commerce, which was founded in 1959 and offered a two-year programme of study.

In 1961 the Association of Institutions of Higher Education in Maribor was formed. The organizational model of the Association and its relations with the faculties and its institutions was similar to the traditional model of university organization. After the individual schools developed into faculties, it was only a matter of time before the Association of Institutions of Higher Education became a university. The Assembly of the Socialist Republic of Slovenia confirmed the university status of the institutions of higher education in Maribor in 1975.

Over time these developed into the following faculties:

Faculty of Economics and Business
Faculty of Electrical Engineering and Computer Science
Faculty of Energy Technology
Faculty of Civil Engineering, Transportation Engineering and Architecture
Faculty of Chemistry and Chemical Engineering
Faculty of Agriculture and Life Sciences
Faculty of Logistics
Faculty of Natural Sciences and Mathematics
Faculty of Organizational Sciences
Faculty of Mechanical Engineering
Faculty of Tourism
Faculty of Criminal Justice and Security
Faculty of Health Sciences
Faculty of Arts
Faculty of Medicine
Faculty of Education
Faculty of Law

Not all of the faculties are located in Maribor. The Faculty of Agriculture and Life Sciences is located in Hoče, the Faculty of Organizational Sciences is located in Kranj, the Faculty of Criminal Justice and Security in

Ljubljana, the Faculty of Logistics in Celje and Krško, the Faculty of Energy Technology in Krško and Velenje and the Faculty of Tourism in Brežice. The rest of the faculties are spread all over the city of Maribor.

The University co-operates with various institutions of higher education and academic associations throughout the world in different research fields developed by its faculty members. Co-operation encompasses numerous activities ranging from study visits to joint research projects. The University of Maribor is active in various networks, and multilateral programmes of co-operation, including Lifelong Learning Programme, TEMPUS, CEEPUS and the 7th Framework programme.

Courses of study offered by the University of Maribor and its member faculties are degree study programmes leading to the award of diplomas and credential programmes leading to the award of certificates. Degree study programmes can be undergraduate, (academic or professionally oriented) – 1st degree study programmes, or graduate – 2nd and 3rd degree study programmes. University of Maribor concluded adapting its study programmes according to the requirements of the Bologna Declaration. Since the academic year 2010/2011 University of Maribor is enrolling only students in Bologna study programmes. Study programmes are offered by the faculties as full time or part time studies. In the academic year 2014/2015 we had 12.198 undergraduate and 4.482 post graduate students at the University of Maribor.

Candidates are advised to gather information about study programme requirements from the faculties before enrollment.

STUDY PROGRAMMES OFFERED BY THE UNIVERSITY OF MARIBOR 2015/2016

FACULTY OF ECONOMICS AND BUSINESS

Ekonomsko poslovna fakulteta (EPF)

Razlagova 14, 2000 Maribor, Slovenia

Telephone: +386 (0)2 22 90 000

Telefax: +386 (0)2 22 90 317

E-mail: info.[epf@uni-mb.si](mailto:info.epf@uni-mb.si)

<http://www.um.si/en> → Faculties → Faculty of Economics and Business

1st degree Undergraduate Academic Study Programme

Economics and Business science – options:

Economics

E-Business

Finance and Banking

Business Management and Organization

Marketing

International Business Economics

Entrepreneurship

Accounting, Auditing and Taxation

European Business Studies

1st degree Undergraduate Professionally Oriented Study Programme

Business Administration – options:

Public Sector Economics and Management

Management

Marketing

International Management

Entrepreneurship

Business Finance and Banking

Accounting and Business Taxation

Tourism

2nd degree Postgraduate Study Programme Leading to Magister (Masters')

Economic and Business Sciences (Bologna Study Programme) – options:

- Accounting, Auditing and Taxation
- Economics
- Entrepreneurship and Innovation
- Finance and Banking
- Information Systems and E-Business Management
- International Business Economics
- Management, Organization and Human Resources
- Marketing Management
- Strategic and Project Management
- Management of Public Enterprises
- Corporate Governance and Management
- Corporate Governance and Management in Health Organization

3rd degree Postgraduate Study Programmes Leading to Doktorat Znanosti (PhD)

Economic and Business Sciences

FACULTY OF ELECTRICAL ENGINEERING AND COMPUTER SCIENCE

Fakulteta za elektrotehniko, računalništvo in informatiko (FERI)

Smetanova ulica 17, 2000 Maribor, Slovenia

Telephone: +386 (0)2 220 70 00

Telefax: +386 (0)2 220 72 72

1st degree Undergraduate Academic Study Programmes

Electrical Engineering – options:

- Automation and Robotics
- Electronics
- Power Engineering

Computer Science and Information Technologies

Informatics and Technologies of Communication – options:

- Information Systems
- Information Systems Management

Telecommunications

Media Communications – options:

- Media Production
- Visual Communication

Mechatronics – interdisciplinary study programme involving the Faculty of Electrical Engineering and Computer Science and the Faculty of Mechanical Engineering

1st degree Undergraduate Professionally Oriented Study Programmes

Electrical Engineering – options:

- Automation and Robotics
- Electronics
- Power Engineering

Computer Science and Information Technologies

Informatics and Technologies of Communication – options:

- System Support to Informatics and Communication Technologies
- Development of Information Systems

Mechatronics – interdisciplinary study programme involving the Faculty of Electrical Engineering, Computers and Information Technology and the Faculty of Mechanical Engineering

2nd degree Postgraduate Study Programmes Leading to Magister (Masters')

Electrical Engineering – options:

Automation and Robotics
Electronics
Power Engineering
Computer Science and Information Technologies
Informatics and Technologies of Communication
Telecommunications
Media Communications
Mechatronics – interdisciplinary study programme involving the Faculty of Electrical Engineering and Computer Science and the Faculty of Mechanical Engineering

3rd degree Postgraduate Study Programmes Leading to Doktorat Znanosti (PhD)

Electrical Engineering
Computer Science and Informatics
Media Communications

ADMISSION/REGISTRATION PROCEDURES

ADMISSION/REGISTRATION PROCEDURE FOR REGULAR STUDENTS

ADMISSION REQUIREMENTS FOR ENROLLMENT IN THE 1ST YEAR OF THE UNDERGRADUATE STUDY PROGRAMMES (for foreign citizens of non EU Member State and Slovenians without Slovenian citizenship)

The application and admission procedure for enrollment in the 1st year of undergraduate study for foreign citizens of non EU Member State and Slovenians without Slovenian citizenship at the University of Maribor is conducted by:

University of Maribor
The Higher Education Application and Information Service
Slomškov trg 15, 2000 Maribor, Slovenia
Telephone: +386 (0)2 235 52 64
E-mail: vpis@um.si
<http://www.vpis.um.si>

Application and admission procedure

The first application period lasts from 5th February to 1st June 2015 and the third application period lasts from 1st to 5th October 2015. Candidates can apply using: E-Application in eVŠ: <http://portal.evs.gov.si/prijava/>
In the first application period all necessary documents that show fulfilment of enrolment conditions must be sent to The Higher Education Application and Information Service of the University of Maribor no later than 3rd August 2015. Candidates must pass a test of ability, capacity and skills if they wish to enroll in the Faculty of Civil Engineering, Transportation Engineering and Architecture (study programme: Architecture) or in the Faculty of Education (study programmes: Music Education, Art Education, Sports coaching).

Evidence of fulfilment of admission requirements:

- Verified copy of citizenship certificate
- Translation into Slovenian by court translator of citizenship certificate.
- Verified copies of secondary school certificates (secondary school exit certificate and certificates of the last two years with all the graded subjects, including the corresponding marks, to be specified in the certificate).
- Translation into Slovenian by a court translator of the secondary school exit certificate and certificates of the last two years with all the graded subjects, including the corresponding marks, to be specified in the certificate.
- Decision on recognition of certificates obtained abroad. The recognition procedure determines the equivalent Slovenian certificate to the certificate issued abroad. The procedure is carried out by the University of Maribor. Information about the recognition procedure is available from the following e-mail address: priznavanjeizobrazevanja@um.si , tel. +386 (0)2 23 55 217 and +386(0)2 23 55 221, <http://www.um.si/studij/priznavanje/Strani/default.aspx> .
- Slovenian language certificate. For admission to the Faculty of Education (with exception of programme Music Education), Faculty of Arts and Faculty of Medicine*, a Slovenian language certificate must be submitted before enrolling in the 1st year of study. For other study programmes, candidates must submit a Slovenian language certificate before enrolling in the 2nd year of study, with

the exception of study programmes of the Faculty of Electrical Engineering and Computer Science, Faculty of Civil Engineering, Transportation Engineering and Architecture, Faculty of Logistics, Faculty of Chemistry and Chemical Engineering, Faculty of Energy Technology, Faculty of Natural Science and Mathematics, Faculty of Organisational Sciences, Faculty of Agriculture and Life Sciences, Faculty of Tourism and Faculty of Business and Economics where no language certificate is required. A Slovenian language certificate is obtainable from:

University of Ljubljana
Centre for Slovene as a Second/Foreign Language
Kongresni trg 12, 1000 Ljubljana, Slovenia
Tel: +386 (0)1 241 86 47, E-mail: izpitni.center@ff.uni-lj.si

For candidates enrolling in the University of Maribor:
Faculty of Arts of the University of Maribor
Koroška cesta 160, 2000 Maribor, Slovenia
Tel: +386 (0)2 22 93 775
e-mail: gjoko.nikolovski@um.si
<http://www.ff.um.si/studenti/informacije/izpit-iz-slovenskega-jezika-za-tujce.dot>
(Candidates' Slovene language exam, taken at the Center for Slovene Language at the University of Ljubljana, will be acknowledged).

*Faculty of Medicine: All candidates need a Slovenian language certificate of level C2, regarding the Common European Framework of Reference for Languages (CEFR). As a fulfilled enrolment condition is considered a taken exam of Slovenian language at final exam (Slovenian matura), certificate of last year the subject was carried out at secondary school, certificate of Slovenian language of level C2 or other equivalent document.

Only for candidates enrolling in the Faculty of Medicine of the University of Maribor:
Faculty of Arts of the University of Maribor
Koroška cesta 160, 2000 Maribor, Slovenia
Tel: +386 (0)2 22 93 846, +386 (0)2 22 93 847
e-mail: jezikovni.tecaji@um.si, cvi.ff@um.si
<http://www.ff.um.si/studenti/informacije/izpit-iz-slovenskega-jezika-za-tujce.dot>

For detailed information about verified documents see our homepage: <http://www.vpis.um.si/>.

If the application is accepted, the candidate must pay an enrollment fee, in some cases a tuition fee and complete her/his enrolment at the chosen faculty.

Tuition fees

The tuition fees for undergraduate studies are set individually by each faculty.

ADMISSION REQUIREMENTS FOR ENROLLMENT IN THE 1ST YEAR OF UNDERGRADUATE AND LONG-CYCLE MASTER STUDY PROGRAMMES (for citizens of the European Union Member States)

Citizens of European Union member states may apply for study in Slovenia under the same conditions as citizens of the Republic of Slovenia.

The application and admission procedure for enrolment in the first year of undergraduate and long-cycle master study at the University of Maribor is conducted by:

University of Maribor
The Higher Education Application and Information Service
Slomškov trg 15
2000 Maribor
Slovenia
Tel: +386(0)2 23 55 261
E-mail: vpis@um.si
Internet: <http://www.vpis.um.si>

Information about application and admission procedure is available at The Higher Education Application and Information Service of the University of Maribor and also on the website of the Ministry of education, science and sport.

1. APPLICATION PROCEDURE:

Citizens of the EU Member States can apply for enrolment in the first year of undergraduate and long-cycle master study in three application periods:

- in the first application period from 5 February to 5 March 2015,
- in the second application period from 21 to 28 August 2015 or
- in the third application period from 1 to 5 October 2015.

2. GENERAL CONDITIONS FOR ENROLMENT IN THE FIRST YEAR OF STUDY:

- Successfully completed appropriate secondary education (To enroll in university study programmes the candidates must have a recognized national exit exam, like the Slovene matura or final examination before 1st June 1995. To enroll in professional higher-education programmes the candidates must have a recognized final examination, vocational certification or Slovene matura.).
- Completed procedure for the recognition of secondary-school certificates obtained abroad (In the recognition procedure the candidates obtain a Decision on Recognition of foreign Education. The Decision on Recognition of foreign Education determines whether a candidate can continue his education in university or professional higher-education programmes.).
- Some study programmes require the candidates to pass a test of ability, capacity and skills.
- The Faculty of Medicine requires:
»All candidates need a Slovenian language certificate of level C2, regarding the Common European Framework of Reference for Languages. As a fulfilled enrolment condition is considered a taken exam of Slovenian language at final exam (Slovenian matura), certificate of last year the subject was carried out at secondary school, certificate of Slovenian language of level C2 or other equivalent document.«

Candidates must pass a test of ability, capacity and skills if they wish to enroll in the Faculty of Civil Engineering, Transportation Engineering and Architecture (study programme: Architecture) or in the Faculty of Education (study programmes: Music Education, Art Education, Sports coaching).

3. EVIDENCE OF FULFILMENT OF THE ENROLMENT REQUIREMENTS:

- a final certificate of successfully completed secondary school,
- certificates for the last two years of completed secondary school,
- a decision on recognition of foreign education for the purpose of continued studies.

Candidates have to send certified copies of the required documents. All certificates (except bilingual ones) must be translated into the Slovenian language by a court translator.

The candidates applying for study at the Faculty of Medicine also have to submit a certificate of a taken exam of Slovenian language at final exam (Slovenian matura), certificate of last year the subject was carried out at secondary school, certificate of Slovenian language of level C2 or other equivalent document.

4. TUITION FEES

The citizens of the European Union Member States do not pay any tuition fees for full-time undergraduate and long-cycle master study.

ENROLMENT IN POSTGRADUATE PROGRAMMES

In academic year 2015/2016 candidates can apply for 2nd (Masters) and 3rd degree (Ph.D.) study programmes, offered by the University of Maribor members. Detailed information can be found at <http://www.um.si/en/Study/about/Pages/Call-for-Application-into-Postgraduate-Study-Programmes-of-the-University-of-Maribor-in-the-Academic-Year-2015-16-.aspx>.

Candidates can submit their application for enrollment into postgraduate study programmes to the relevant faculty of the University of Maribor from June 1st until August 24th 2015 for the first application period and from September 17th until September 21st 2015 for the second one.

All candidates must submit an electronic application on web portal eVŠ, which can be found at <http://portal.evs.gov.si/prijava/?locale=en>. More informations about Call for enrolment in Postgraduate Study Programmes of University of Maribor in the Academic Year 2015/16 at: <http://www.um.si/en/Study/about/Pages/Call-for-Application-into-Postgraduate-Study-Programmes-of-the-University-of-Maribor-in-the-Academic-Year-2015-16-.aspx>, the procedure of application and enrolment is described here: <http://www.um.si/en/Study/about/Pages/Enrollment-in-postgraduate-study.aspx>, the procedure of recognition is explained here: <http://www.um.si/en/Study/recognition/Pages/default.aspx>.

Enrolment in postgraduate programmes will be conducted after the closing date for applications but no later than September 30th 2015. If students file a request for an extension of the deadline for enrolment for legitimate reasons (relevant bodies of university members decide on such requests), the deadline for enrolment may be extended to October 30th 2015 at the latest.

Foreigners and Slovenians without Slovenian citizenship can enroll into postgraduate study programmes in accordance with the Rules on tuition and living in dormitories for Slovenians without Slovenian citizenship and foreigners in the Republic of Slovenia (Official Gazette of the Republic of Slovenia, No. 70/2008). Candidates can apply for enrollment slots published in tables with enrolment slots for Slovenians without Slovenian citizenship and foreign citizens of non-European Union countries. Candidates must in addition to evidence mentioned above, together with their application, submit the decision on recognition of secondary school education. If they don't have a decision yet, they send their applications (N form) for the recognition procedure to: University of Maribor, Office for General and Legal Affairs (marked: Recognition of foreign education), Slomškovo trg 15, 2000 Maribor. Foreigners and Slovenians without Slovenian citizenship are recommended to begin the process of recognition in a timely manner. The deadline for issuing a decision on the recognition under the Act on the Recognition and Assessment of Education (Official Gazette of the Republic of Slovenia, No. 87/2011 and Official Gazette of the Republic of Slovenia, No. 97/2011 - corr.) is two months from the receipt of complete application.

Detailed information on study programmes, application, enrollment, admission requirements and cost of the study is available on the website of the University of Maribor <http://www.um.si/en/Study/about/Pages/default.aspx> and at student affairs offices of UM faculties.

ADMISSION /REGISTRATION PROCEDURE FOR ERASMUS EXCHANGE STUDENTS

An electronic application form can be found at the following Internet site: <https://aips.um.si/StudentsExchange.asp>.

Application procedure:

1. Apply for individual password.
2. Complete electronic Application Form. We don't require Erasmus+ Learning Agreement, but if your home institution requires it, you need to send it together with our documents!
3. Choose your study units. Please read the instructions before selecting your study units!
4. Print out the fully completed Application Form with Learning Agreement.
5. Obtain signature from Erasmus academic coordinator at your home university. A university stamp is also required.
6. Request a Transcript of Records from your home university. The transcript can be in any form including computer print outs from your university registry's office. It must be written in English.
7. We require an assessment of your English language skills, so you can either (choose 1 option only):
 1. do the online English language test: <http://www.examenglish.com/leveltest/index.php> (go to Level tests). The results can be emailed to you, so print them out, sign them and send them together with the rest of the required documents.
 2. send us a document, stating your English language knowledge level, signed and stamped by English teacher from your home institution.
 3. fill in the English language self-evaluation form (it is part of the Erasmus application procedure), print it out, sign and send it together with the rest of the required documents.
 4. send us a copy of any English language certificate you might have, but it shouldn't be older than two years.

5. Please note that if we, after your arrival to the University of Maribor, assess that your English language skills are below the level you will state in one of the above mentioned documents (so the information you will send us is not true), we can decide you are no longer welcome as Erasmus student at the University of Maribor.
8. Make a copy of your identity document (identity card, passport).
9. All required documents:
 - a. Application Form (with selected subjects in the Learning Agreement!)
 - b. Transcript of Records
 - c. Certificate of your English language knowledge (see step 7)
 - d. Copy of your identity document (identity card, passport)

must be sent by your Erasmus coordinator to the following email address: incoming.erasmus@um.si

Deadlines: first semester: 1st July, second semester: 1st December (For students from Turkey: first semester: 1st June, second semester: 1st November!).

Admission procedure:

Your documents will be reviewed by the main International Relations Office and by the selected host faculty. In case you are accepted for Erasmus study at the University of Maribor, we will send you an Erasmus acceptance letter (sent via normal post, to home address).

You will be informed about the accommodation possibilities when receiving your Erasmus acceptance letter and other needed documents.

MAIN UNIVERSITY REGULATIONS

University autonomy is determined in the Constitution of the Republic of Slovenia (article 58). The Organization of universities and general activities are regulated by the Higher Education Act (Uradni list RS, no. 32/2012, ZVŠ-UPB7, as amended to 85/2014). University reform was adopted by a Decree on the reformation of the University of Maribor (Uradni list RS, no. 28/2000, 98/2003, 79/2004, 36/2006, 137/2006, 58/2007, 67/2008, 96/2009, 17/2015). The recognition of international study achievements is regulated by the Lisbon convention, which was ratified by an Act on the Ratification of this Convention (RS MP 14/91). Concrete provisions regarding these matters are also adopted in the Statute of the University of Maribor and several executive provisions.

Main university regulations regarding students are available at <http://www.um.si/en/Study/rules/Pages/default.aspx>.

RECOGNITION PROCEDURES

Pursuant to the Act on Assessment and Recognition of Education, schools, other education establishments and higher education institutions are competent for recognition with a view to access to education.

Recognition with a view to access to education in the Republic of Slovenia is a procedure by which, in the course of enrolment, holders of foreign certificates and diplomas are issued decisions recognizing their right to continue education in the Republic of Slovenia. On the basis of the decision the school shall enroll the holder in the appropriate education programme.

Applicants who are holders of foreign certificates and who wish to apply to study at the University of Maribor should make an application for recognition of their certificates, which should be addressed to the University of Maribor. For more information and guidelines please visit the web site www.um.si, "Study/Recognition of education."

For information about the Recognition of foreign university diplomas, contact priznavanjeizobrazevanja@um.si, Telephone +386(0)2 23 55 217 and +386(0)2 23 55 221.

GENERAL ARRANGEMENTS FOR THE RECOGNITION OF PRIOR LEARNING (FORMAL, INFORMAL AND NON-FORMAL)

Students who have acquired certain competences through prior learning can apply for the recognition of these. Learning and expertise can be acquired in many types of situations, through formal education and through everyday experiences and work. The important thing is the result of learning and the learning process, not the manner in which they took place or where or how the knowledge and skills was acquired.

Formal education usually takes place in education institutions, and learning is systematic and based on set learning objectives, and the learner is granted a diploma or a certificate indicating the knowledge he/she has gained.

Non-formal education (unofficial) is systematic and based on set learning objectives. From the perspective of the learner is granted a certificate indicating the knowledge he/she has gained, but not public valid level of education or qualification. In Slovenia, non-formal education is typically offered by various independent educational organizations and training offered at workplaces.

Informal education (everyday learning) refers to learning that takes place during activities at work, in the family or during leisure time. Informal education is not systematic or based on set learning objectives, not is the learner granted a certificate indicating the knowledge he/she has gained. Informal learning may be intentional, but usually it is unintentional and coincidental.

Students have the right to apply for the approval (recognition) of prior learning, if the acquired knowledge is equivalent to the learning objectives of the degree programme.

The principles and procedures for recognizing prior learning are set in the Rules on recognition of knowledge and skills obtained before enrollment in study programmes.

ECTS CREDIT ALLOCATION BASED ON THE STUDENT WORKLOAD NEEDED IN ORDER TO ACHIEVE EXPECTED LEARNING OUTCOMES

Since the academic year 2010/2011 University of Maribor is enrolling students only in Bologna study programmes. Before adopting the ECTS system academic staff re-examined the learning outcomes of each course in relation to the competences expected to be developed by the program's graduates and students' workload (teaching contact hours as well as students' private study time) needed to achieve the set learning outcomes. Credit allocation to courses was based on the students' workload estimated by the academic staff. The key figures used for credit allocation were 25-30 hours per credit, 15 weeks per semester and 30 ECTS credits per semester. At the end of the academic year, the University conducts surveys on the actual student workload in accordance with the Rules on Administering Questionnaires on the Actual Student Workload. Survey results reveal students' opinions on the actual workload with regard to individual courses. On the basis of the results, workload under new (Bologna) programmes is monitored and proposals for quality improvement and modifications to existing programmes are formulated.

ARRANGEMENTS FOR ACADEMIC GUIDANCE

The University of Maribor provides students and prospective students with a wide variety of consulting services related to enrolment, study programmes, study arrangements and employment prospects. Information concerning graduate enrolment is provided by the Inscription and Information Office of the University of Maribor and by student affairs offices located at university members, which provide prospective graduate and postgraduate students with relevant information.

TUTORING

After the introduction of Bologna programmes, tutoring and mentor systems began to develop at faculties. The primary objectives of this system are:

- to make the transition from secondary school to university easier,
- assist students throughout their studies,
- establish good relations between students, professors and the institution as a whole,
- overcome the traditional higher education system,
- improve the performance of students and increase the number of students advancing to the next year,
- improve the quality of the learning experience.

Tutor models vary heavily among faculties. According to the year of studies, the tutor is either a senior student or a professor.

CAREER CENTRE AND ALUMNI CLUB

The Career Centre of the University of Maribor provides a wide range of services for students, graduates and employers. Individual career counselling provides students and graduates with detailed information on career opportunities and development.

Career centre also organizes various events, such as lectures, seminars, workshops, discussions and meetings. The majority of these events may be attended by all students and graduates interested, while others are organized for specific groups. We also arrange visits to potential employers.

Students and graduates of the University of Maribor can obtain information on job vacancies and internship programmes in Slovenia and abroad. Employers may advertise job vacancies and internship programmes on our website free of charge.

University of Maribor also monitor graduates and their employability. In addition, in-depth analyses of employability will be conducted. Relevant data are gathered systematically within the framework of UM's Alumni. Alumni UM represents a great opportunity to enable all members to attend events or participate in activities for students and graduates conducted by the Career Centre.

ESN MARIBOR

ESN (Erasmus Student Network) Maribor provides informal help for incoming students regarding arrangement of various papers, subsidized food, SIM cards, and getting to know life in Maribor. More about ESN: <http://esn.org/>

STUDENTS WITH DISABILITIES AND SPECIFIC NEEDS

Rights and the equality of students are laid down in the Statute of the University of Maribor and Rules on Students with Disabilities and Specific Needs. Article 211 of the Statute lays down the status of students with disabilities and other students with specific needs.

In cooperation with the Slovene Association of Students with Disabilities, UM implemented the project entitled "Development of Inclusive Higher Education – training faculty staff for the work with disabled students", on the basis of which the brochure "Disability Friendly Institutions" has been published.

Certain university members have special equipment and tools for students with disabilities, which have been acquired on the basis of their needs. Disability issues are discussed on an individual basis since the needs of students with disabilities vary greatly.

STUDENT COUNCIL and VICE RECTOR FOR STUDENT AFFAIRS

The student council and its president, Vice-rector for student affairs, are responsible for considering issues which concern students, address student related problematic and assist students to realise their rights. Moreover, their purpose and function is also to support student efforts to achieve their academic goals, help

them with their questions, propose solutions and introduce them to all options they have available at UM. The student representatives are also in function to consider student complaints, which is conducted in collaboration with relevant university administration and academic staff.

Therefore, students have the opportunity and responsibility to be a part of the university's development and influence the important decisions, especially regarding the quality of teaching; all with the goal of assuring the best academic environment available. Besides the academic part, Student council with its representatives prepares a variety of extracurricular activities, which round up the study experience at UM. More information: ssum.um.si

ORIENTATION WEEK FOR FRESHMEN

New students can participate in an orientation program before the beginning of the year which aims at familiarizing them with departments, programs of studies, requirements, student services, campus facilities, libraries, student bodies and career centres. Students have the opportunity to attend seminars on topics that help them adjust to their new environment.

STUDENT BROCHURE

Every year faculties publish different brochures which contain useful information about admission/registration procedures, about study programmes and other useful information regarding services offered.

INTERNATIONAL OFFICES

Main International Relations Office is located at the UM rectorate. Along with international offices located at some university members, it assists incoming and outgoing students, teachers, staff and provides information on academic exchange, application procedures and selection criteria. Detailed information on international exchange is available at <http://www.um.si/en/international/erasmus/Pages/default.aspx>.
